WELCOME TO 2ND GRADE

Greetings from your child's second grade teacher! We are eagerly looking forward to working with you and your child! In order for your child to be prepared to do a good job in second grade, we ask that the following supplies be brought to school on the first day. Keep in mind that some of these materials will need to be replaced periodically throughout the school year. If possible, please write your child's name or initials on their supplies.

- #2 pencils (three should be sharpened and in your child's desk at all times during the year)
- one box of 8 inch colored pencils (12 count)
- one box of 24 crayons (no markers, please)
- one large eraser
- glue sticks (replacements are needed often!)
- one pair of quality scissors
- one large box of tissues (for whole class use)
- one school box to hold pencils, crayons, glue sticks, etc.
- 2 two-pocket folders; binders, such as Trapper Keepers, are discouraged due to space limitations
- a backpack would also be useful in organizing your child's daily work to and from school

In order to enhance the development of organizational skills and due to space limitations, please send only the above items. We appreciate your cooperation as we look forward to a successful and enjoyable year working with you and your child!
